EXPLANATION OF FEES

ENROLLMENT FEE —

The Enrollment Fee (400€) is required to open the admissions file and confirm the athlete's place in the selected camp session. Upon receipt of this fee and the required documentation, B1 will issue a Conditional Acceptance Letter, which may be used for visa applications and travel preparation.

The Enrollment Fee is deducted from the total program fee at the time of final payment. It does not grant full enrollment — access to training, accommodation, and camp services is confirmed only once the full balance has been received.

The Enrollment Fee applies to the standard booking route only. Athletes enrolling via the B1 Camp PASS follow a separate payment process.

HEALTH INSURANCE -

Medical insurance is mandatory for all athletes enrolled in this program. A valid policy must be provided before arrival. Families may:

1. Provide their own insurance policy, provided it meets B1 Sports' minimum requirements (medical coverage, accidents, repatriation and travel assistance); or
2. Take out B1 Sports' medical insurance, available for the full duration of the camp.

CAMP STRUCTURE

The B1 Camp runs for 5 days in the training modality (Monday to Friday) and 7 days in the residential modality (Sunday to Saturday).

Throughout the week, the B1 coaching staff carries out a continuous performance assessment across the four dimensions of the B1 Performance DNA: physical, technical, tactical and mental.

On the final day of the camp, each athlete receives their individual performance report with a structured evaluation and a personalized next-steps proposal adapted to their profile.

Athletes who stand out may access continuity pathways within the B1 Sports Academy ecosystem.
