ENROLLMENT FEE

The Enrollment Fee, corresponding to the tuition of the first week, is paid at booking. This payment opens the admissions file, confirms the selected dates, and enables B1 to issue the Conditional Acceptance Letter.

The Enrollment Fee does not grant full enrollment — this is confirmed only once the remaining tuition has been paid within the established deadline.

PAYMENT INFORMATION

All IMMERSION tuition must be fully completed before arrival.

The remaining balance must be settled at least 7 days before the athlete's arrival. If a visa application is required, the remaining balance becomes due immediately upon visa approval, while still respecting the 7-day minimum requirement.

If visa approval is delayed, payment becomes due upon approval and arrival dates may be adjusted accordingly, subject to availability.

ADDITIONAL INFORMATION -

Payments may be completed via bank transfer, secure credit-card link, or cash. Failure to complete payments within the established window may temporarily restrict access to services.

ADDITIONAL SERVICES

Optional services such as extra training sessions, physiotherapy, nutrition or psychology consultations are available for an additional fee.

B1 POLICIES

ENROLLMENT -

Enrollment is fully confirmed once B1 has received the full IMMERSION tuition within the established deadlines, following visa approval when applicable. Until full payment is completed, athletes cannot access accommodation, B1 training, club sessions, or any IMMERSION services.

REFUNDS -

Tuition payments are non-refundable once the programme has begun.
In exceptional medical circumstances, B1 may evaluate individual cases to determine whether a partial credit or deferred participation may apply.
No refunds are provided for early withdrawal, missed sessions, unused programme weeks, or disciplinary dismissal.

The Enrollment Fee is refundable only in cases of official visa denial and will be processed within 90 days of receiving the required documentation.
The Enrollment Fee is non-refundable in all other circumstances.

MEDICAL REQUIREMENTS -

All student-athletes must provide valid medical documentation before arrival, including:

- proof of valid medical insurance meeting B1's minimum coverage requirements (if not purchasing B1's medical insurance),
- medical clearance to participate in high-performance training,
- copies of relevant medical history.

B1 reserves the right to request additional documentation when required by residency, school, federation, or competition partners.

ATTENDANCE & PARTICIPATION -

Participation in all scheduled training sessions, club activities, and programme components is mandatory unless justified and approved by B1 staff. Repeated absences may affect programme integration and access to certain weekly activities.

CAMPUS & ACCOMMODATION POLICIES -

Students must comply with B1's residence rules, staff guidelines, safety protocols, and community standards.
Any damage, loss, or deterioration of facilities or equipment caused intentionally or through negligence may result in disciplinary measures and the obligation to cover the corresponding repair or replacement costs.
Violations of residence rules, safety policies, or partner accommodation regulations may result in disciplinary actions or removal from housing.
