FOOTBALL PROGRAM

SPRINT PROGRAM
2026-2027 SEASON

ACADEMIC YEAR (Jan - Jun)

The B1 SPRINT Program is an intensive high-performance pathway designed for student-athletes seeking accelerated development during the second half of the season.
It offers professional training, official club competition and a full integration into B1's methodology within a structured and holistic environment.

PROGRAM	TUITION
SPRINT 360	35.690€
SPRINT BOARDING	26.890€
SPRINT ACADEMICS	25.400€
SPRINT TRAINING	12.330€

Deposits and fees detailed below are not included in tuition

HEALTH INSURANCE	600€
COMPETITION & TOURNAMENT FEE	INCLUDED

VARIABLE FEES	
NEW STUDENT FEE - Applicable for SPRINT 360 & SPRINT Academics	2.500€

DEPOSITS	
PROGRAM DEPOSIT	900€

EXPLANATION OF DEPOSITS AND FEES

LEGAL TUTOR FEE -

For athletes under 18 not residing in Spain with a parent or legal guardian, a Legal Tutor in Spain is required. Families may appoint their own tutor or use B1 Sports' Legal Tutor Service for an additional fee, submitting all required documentation before arrival.

HEALTH INSURANCE FEE -

Health insurance is mandatory for all athletes enrolled in this program. A valid insurance policy must be submitted before arrival. Failure to provide valid insurance, or losing coverage during the program, may result in suspension of services until compliance is restored. Families may choose to:

1. Provide their own insurance policy, as long as it meets B1 Sports' minimum requirements (medical coverage, accident coverage, repatriation, and travel assistance); or
2. Purchase B1 Sports' medical insurance, available for the full duration of the program.

NEW STUDENT FEE -

Applied only to students enrolled in SPRINT 360 and SPRINT Academics. This fee covers the creation and activation of the student-athlete's academic file, and onboarding into the academic programme.

PROGRAM DEPOSIT -

A refundable deposit of 900 € is required before arrival. It is refunded at the end of the program if no damages or outstanding charges exist, and all academy/residence rules and equipment-return requirements are met.

The deposit is not refundable in cases of early withdrawal or expulsion.

PROGRAMS

WHAT IS INCLUDED

SPRINT TRAINING

TRAINING & PERFORMANCE

Access to full B1 methodology
5 weekly high-performance football training
2 weekly strength & conditioning
Bi-weekly positional training
Gym sessions

COMPETITION PATHWAY

Club assignment (local club)
2–3 weekly club sessions
Weekly official competition
International tournament participation

PLAYER SUPPORT SERVICES

Video analysis
Individual performance tracking
Injury prevention & readaptation
Physiotherapy support (scheduled)
Bi-weekly sports psychology

ACADEMIC SERVICES

Academic programme delivered in English
Weekly academic support adapted to the student-athlete's schedule
Regular communication with families regarding academic progress

SPRINT 360

Everything in **SPRINT TRAINING** + **SPRINT BOARDING** + **SPRINT ACADEMICS**

ENROLLMENT FEE

The Enrollment Fee (400 €) is required to open the admissions file and begin the placement process for the B1 SPRINT program. This fee allows B1 to initiate documentation review, residence and club pre-allocation, and prepare the student-athlete's onboarding pathway.

Once the Enrollment Fee and the required documentation have been received, families are issued a Conditional Acceptance & Pre-Allocation Letter, which can be used to initiate visa procedures.

This conditional status does not secure a boarding placement or grant full enrollment. Full enrollment is confirmed only once the First Tuition Payment (Full Payment or Installment 1) has been received. Until then, students cannot access accommodation, training, academic services, or club activities.

If visa approval is delayed relative to the payment calendar, Installment 1 becomes due upon approval, with subsequent installments adjusted according to the official calendar.

PAYMENT OPTIONS

FULL PAYMENT -

Families may choose to complete the full tuition payment instead of following the installment plan.

Once the student's placement is confirmed and the visa has been approved, the remaining tuition balance is paid in a single full payment.

The Enrollment Fee is deducted from the total tuition. Full enrollment and access to services begin once the full tuition payment has been received.

INSTALLMENT PLAN (4 PAYMENTS) -

B1's Payment Plan divides tuition into four scheduled installments.

- Enrollment Fee (400 €) — paid first to activate admissions, Conditional Acceptance and the visa process.
- Installment 1 — paid after visa approval, together with confirmation of placement. This installment represents approximately 30% of the program tuition.
- Installments 2–4 — follow the established payment calendar and are due between the 25th–30th of January, February, and March.

Students cannot access training, accommodation or academic services until Installment 1 has been completed.
Families enrolling after January must settle any past installments immediately according to the Payment Schedule.

ADDITIONAL INFORMATION -

Payments may be completed via bank transfer, secure credit-card link, or cash.
Failure to complete payments within the established window may temporarily restrict access to services.

If visa approval is delayed, Installment 1 becomes due upon approval, and the remaining installments are adjusted accordingly.

ADDITIONAL SERVICES -

Optional services such as extra training sessions, physiotherapy, nutrition or psychology consultations are available for an additional fee.

LATE PAYMENTS -

Late payments may incur administrative fees.
Outstanding balances may lead to temporary holds on:

- training and competition
- academic support
- residence services
- documentation

Continued non-compliance may result in suspension of services or cancellation of enrollment.

B1 POLICIES

ENROLLMENT -

Enrollment is fully confirmed once B1 receives the First Tuition Payment (Full Payment or Installment 1), following visa approval when applicable.

Families first complete the Enrollment Fee, which opens the admissions file and activates the placement process with residence, clubs, and educational planning (when applicable). Once the student's documentation is reviewed, B1 issues a Conditional Acceptance & Pre-Allocation Letter, which families may use for visa applications and travel preparation.

This conditional status does not secure boarding placement or grant full enrollment. Full enrollment is confirmed only after the First Tuition Payment has been completed. Until then, students cannot access accommodation, training, academic services, or competition activities.

REFUNDS -

Tuition payments are non-refundable after the start of the program.
In exceptional medical circumstances, B1 may evaluate individual cases to determine whether a partial credit or deferred participation may apply.
No refunds are provided for early withdrawal, missed sessions, or disciplinary termination.

The Program Deposit is refunded at the end of the program, provided all academy and residence rules have been respected and there are no outstanding charges or damages.

The Enrollment Fee is refundable solely in cases of visa denial, and is processed within 90 days after the official documentation of the denial is submitted. The Enrollment Fee is non-refundable in all other circumstances.

MEDICAL REQUIREMENTS -

All student-athletes must provide valid medical documentation before arrival, including:

- proof of valid medical insurance meeting B1's minimum coverage requirements (if not purchasing B1's medical insurance),
- medical clearance to participate in high-performance training,
- copies of relevant medical history.

B1 reserves the right to request additional documentation when required by residency, school, federation, or competition partners.

ATTENDANCE & PARTICIPATION -

Participation in training, competition, residence activities, and academic sessions is mandatory unless otherwise justified and approved by B1 staff.
Repeated absences may impact a student-athlete's placement in teams, competitions, or academic pathway.
Student-athletes are expected to comply with B1's professional standards, behaviour policies, and club or school regulations.

BILLING & ACCOUNT HOLDS -

Accounts with outstanding balances may be placed on temporary hold.
This may limit access to training sessions, competition registration, residence services, educational support, or documentation processing. Services resume once the account is fully settled.
Repeated delays in payment may result in suspension or cancellation of enrollment.

CAMPUS & ACCOMMODATION POLICIES -

Students must comply with B1's residence rules, staff guidelines, safety protocols, and community standards.
Any damages to facilities will be deducted from the Program Deposit at the end of the year.
Violations of residence rules, safety policies, or partner accommodation regulations may result in disciplinary actions or removal from housing.
