Administrative liaison throughout the season

PROGRAM ACTIVATION

Participation in the TECH Program is activated upon completion of the first monthly tuition payment.
The TECH Program operates on a monthly basis. There is no separate enrollment fee, and enrollment is not subject to fixed renewal periods. Continuity in the program depends on ongoing monthly payment and compliance with B1 Sports' policies. TECH TEAM participation requires a minimum commitment of three (3) months due to federation licensing and club registration processes.

PAYMENT INFORMATION

Monthly tuition must be paid in advance, between the 25th and 30th of each month.

ADDITIONAL INFORMATION -

Payments may be completed via bank transfer, secure credit-card link, or cash.
Athletes must reside in Spain (Barcelona venue) or the United Arab Emirates (Dubai venue) to participate in the TECH Program.
Training schedules may vary depending on seasonal calendar, player grouping, and club coordination.

ADDITIONAL SERVICES

Optional services such as extra training sessions, physiotherapy, nutrition or psychology consultations are available for an additional fee. Optional services must be requested in advance and are billed separately.

B1 POLICIES

REFUNDS -

Monthly tuition is non-refundable once confirmed.
No refunds are provided for missed sessions, early withdrawal, unused weeks, or disciplinary dismissal.

MEDICAL REQUIREMENTS -

A valid medical clearance for football training and any relevant medical information must be provided before participation. Specific insurance is not required, but standard personal medical coverage is recommended.

ATTENDANCE & PARTICIPATION -

Attendance to training sessions and club activities (TECH TEAM) is mandatory unless justified and approved by B1 staff. Repeated absences may affect team placement and individual progression.

BILLING & ACCOUNT HOLDS -

Unpaid balances may result in temporary suspension of access to training sessions and, for TECH TEAM, club activities. Participation resumes once outstanding payments are resolved.

CAMPUS & ACCOMMODATION POLICIES -

Athletes must comply with B1's residence rules, staff guidelines, safety protocols, and community standards.
Any damage, loss, or deterioration of facilities or equipment caused intentionally or through negligence may result in disciplinary measures and the obligation to cover the corresponding repair or replacement costs.
Violations of residence rules, safety policies, or partner accommodation regulations may result in disciplinary actions or removal from housing.
