FOOTBALL PROGRAM

TRIAL PROGRAM
2026–2027 SEASON

EVALUATION EXPERIENCE

The B1 Trial is a 6-day evaluation experience designed for players aged 12 to 18 who want to train within a professional high-performance environment and receive a structured assessment of their development potential. The Trial is the entry point to the B1 Sports Academy ecosystem.

PROGRAM	FEES
TRIAL BOARDING	950€
TRIAL TRAINING	450€
FAMILY*	350€

*Accommodation for the accompanying adult. Attendance is recommended: without an adult, the report is sent to the legal guardian, who must sign an authorisation beforehand.

FEES

OPTIONAL ADDONS	
AIRPORT TRANSFER (per journey)	60€
HEALTH INSURANCE	85€

EXPLANATION OF FEES

HEALTH INSURANCE -

Health insurance is mandatory for all athletes enrolled in this program. A valid insurance policy must be submitted before arrival. Families may choose to:

1. Provide their own insurance policy, as long as it meets B1 Sports' minimum requirements (medical coverage, accident coverage, repatriation, and travel assistance); or
2. Purchase B1 Sports' medical insurance for the duration of the Trial.

PROGRAMS

WHAT IS INCLUDED

All meals included during the stay

24/7 supervision and welfare support

Wi-Fi and basic services

FAMILY BOARDING

RESIDENCE SERVICES

Sports Residence — private room + bathroom

All meals included during the stay

Access to Day 6 evaluation and debrief session

EVALUATION PROCESS

The Trial runs over 6 days. Day 1 is arrival day. Days 2 to 5 consist of high-performance training sessions integrated with continuous evaluation by B1 technical staff. Players are grouped by age category for greater precision in the assessment.

On Day 6, B1 coaches hold a closing session with the player and their accompanying adult. The individual performance report is presented, and a personalised programme proposal is discussed.

The formal evaluation report and programme proposal are provided only when the player attends with an accompanying adult. If no adult is present, the player receives the full training experience and the report is sent directly to the legal guardian.

ENROLLMENT & PAYMENT

Full payment must be completed before arrival. Payments may be completed via bank transfer, secure credit-card link, or cash.

B1 POLICIES

ENROLLMENT -

Registration is confirmed once B1 Sports has received full payment and all required documentation before the Trial start date. Until full payment is completed, athletes cannot access training, accommodation, or any Trial services.

REFUNDS -

Trial tuition is non-refundable once confirmed, except in cases of official visa denial: in that case, tuition and the Health Insurance fee are refunded within 90 days of receiving the required documentation. No refunds are provided for missed sessions, early withdrawal, or disciplinary dismissal.

MEDICAL REQUIREMENTS -

All athletes must provide valid medical documentation before arrival, including proof of medical insurance and medical clearance to participate in high-performance training. B1 reserves the right to request additional documentation when required.

MINORS WITHOUT ACCOMPANYING ADULT -

Players attending without an accompanying adult must provide a signed parental/legal guardian consent form before arrival. The formal evaluation report will be sent directly to the legal guardian.

ATTENDANCE & PARTICIPATION -

Participation in all scheduled training sessions and programme activities is mandatory unless justified and approved by B1 staff.

CAMPUS & ACCOMMODATION POLICIES -

Athletes and accompanying adults must comply with B1's residence rules, staff guidelines, safety protocols, and community standards. Any damage to facilities or equipment may result in disciplinary measures and the obligation to cover the corresponding costs.

IMAGE RIGHTS -

Participation in the Trial implies consent to the use of images and footage taken during the programme for B1 Sports Academy's marketing and communication purposes, unless a written objection is submitted before arrival.
